SUBJECT: Response to May 18, 2018 Letter

Dear Mr. Convissor:

Thank you for your May 18th letter to Director Driscoll regarding the side path extension of the Route 9/Interchange 9 project in Tarrytown. The project is currently in the design phase and has benefitted from public comments, including input received at an Open House last October. We welcome your additional input, and have shared same with the New NY Bridge project team.

Sincerely,

George Paschalis
