

# Most Important Route 9 Action. Ever.

## Make Broadway Safe for Everybody

The State Department of Transportation wants feedback on their Route 9 Complete Streets proposal. **Giving that feedback right now is crucial** because the plans are still in flux. But in a few days, the edits will be finalized, and that's what will get built.

The DOT's proposal falls short of the vision and goals that 220 community members clearly communicated to the DOT in March. Applying our political power now can ensure the DOT does a *GREAT* job. It only takes a minute.
